Tuition Assistance Program 2024-2025

GRADES PK3 - 12

In order to grant access to a Kingdom Education at CCS to more families, the school began a Tuition Assistance Program to provide financial aid to families who might otherwise not be able to attend CCS due to financial constraints. This financial need-based tuition assistance program will not cover 100% of tuition. **To be considered for tuition assistance, a new student must first complete the online application process for school admission, pay the application fee, and be accepted for admission. Current students must pay the annual continuous enrollment fee and be in good standing with current FACTS account. All families must also apply for and/or receive one of Florida's PK-12 Scholarship programs eligible for private school tuition and fees.** We encourage families to apply as early as possible since tuition assistance is awarded from a limited budget each year. If the tuition assistance offer does not meet the family need, the enrollment fee may be refunded. To receive this refund, the application for tuition assistance must be fully completed and verified by May 1st. For any returning students applying for tuition assistance after the May 1st deadline, the family forfeits their enrollment fee and will be subject to the withdrawal policy in the Continuous Enrollment Agreement.

Cambridge Christian School utilizes an independent third-party online service of **FACTS Grant & Aid Assessment to process applications.** FACTS does not decide whether tuition assistance will be given or how much to give; rather, FACTS provides a need-based financial aid analysis service which includes a recommendation of what a family should reasonably contribute toward tuition AFTER your Florida PK-12 Scholarship has been applied. All information from FACTS is kept confidential. Results are reviewed by the Tuition Assistance Committee who makes final decisions based on next year's budget. Upon approval by the Committee, tuition assistance offers are then sent to families.

As a reminder, you must re-apply each year. To start the process, please do the following:

- Log onto the FACTS Grant & Aid website using the link. <https://online.factsmgmt.com/ga/aid/inst/4LZ6B>
- The application process is self-guided. You may navigate in and out of the program allowing you to partially complete an application and go back to it at another time. Online email and a 24/7 helpline are provided.
- The application fee is **\$40** to be paid by credit card at the end of the session. If you do not have a credit card, please call the Business Office at 813-872-6744 ext. 266 for assistance.
- Once an online application has been completed, the following information will need to be sent to FACTS to complete the application process:
 - Copies of your 2023 Federal tax forms including all supporting tax schedules.
 - Copies of your 2023 W-2 forms for both you and your spouse.
 - Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF.
- All supporting documentation can be uploaded in pdf format online. Documentation can also be faxed to 866-315-9264 or mailed to the address below. **Please be sure to include the applicant ID on all faxed or mailed correspondence.**

Q: What is Continuous Enrollment?

A: Continuous enrollment will mean that year after year you will not be required to complete a new enrollment agreement. Students will be continuously enrolled from the time of their initial enrollment until they graduate from Cambridge Christian School. Continuous enrollment will allow us to streamline the enrollment process, maximize our resources and save families time and effort.

Q: How is Continuous Enrollment different from an annual re-enrollment process?

A: Under a traditional re-enrollment process, a new enrollment agreement would have to be signed every year. With a continuous enrollment agreement, you never have to re-enroll again (unless your family plans a change). In the event your continuous enrollment does need to change, you will have until May 1st every year to simply notify the Business Office in writing without a withdrawal fee assessed (*see Tuition and Enrollment Fees document for more information*).

Q: Will I still pay an annual Enrollment Fee with Continuous Enrollment?

A: Yes. The Continuous Enrollment Fee will need to be paid annually for each student in order to hold your student's place for the following school year.

Q: How will the Continuous Enrollment Fee be collected each year?

A: The Continuous Enrollment Fee for each student is billed to the family's FACTS account in January. **For full pay, semester pay and non-ACH families, payment is due in full by February 1st.**

Monthly plan families: The Continuous Enrollment Fee will be divided into three installments and applied to each family's FACTS account for withdrawal on February 5th(20th), March 5th(20th), and April 5th(20th). **Monthly plan families who do not want their Continuous Enrollment Fee applied to their FACTS account must notify the Business Office at billing@ccslancers.com on or before January 31st. Payment is then due in full by February 1st.**

Q: What happens if I do not pay my Continuous Enrollment Fee?

- A:**
1. If not paid by due dates listed, the Continuous Enrollment Fee will increase by \$30 each month until paid; and
 2. The student will remain in an open status and not placed on the student list. Once the Continuous Enrollment Fee and late fees are paid, the student will be placed on the student list as space is available.

New Family Referral Program 2024-2025

We desire to be creative in providing returning families incentives to tell others about Cambridge Christian School. Further, we want these incentives to benefit both the referring family and the new family that is referred. The *New Family Referral Program* offers current families a 5% discount off CCS tuition, calculated on the new family's tuition.

Details of the program:

1. After the new family applies, is accepted, enrolls, and attends, your family will receive a tuition discount to reflect 5% of *the new family's* total tuition. This program is limited to the referral of NEW families enrolling students in CCS and does not apply to students returning nor families who have previously had students at CCS.
2. Further, the referred family will receive a 5% discount off of their tuition bill.
3. For example: Mr. Lion (CCS parent of one currently enrolled student) refers Mr. and Mrs. Cub (new prospective parents) to Cambridge Christian School. Mr. and Mrs. Cub verifies Mr. Lion's name on the online student(s) application. Once accepted, they enroll three students at Cambridge Christian School. If the Cub family's tuition is normally \$20,000, after applying the 5% discount, it is now \$19,000. But do not forget Mr. Lion's benefit! Mr. Lion receives the same discount – 5% of the tuition *brought in*. If his tuition is normally \$7,000, it just became \$6,000 – that's \$1,000 off!
4. The best news is that there is no limit to how many 5% awards you can receive. If you end up paying your tuition in full through this program, keep referring... we will start paying you your 5% in cash!
5. This program pertains to enrollment *for the 2024-2025 school year only*.
6. This program applies only to tuition.
7. This program will be in effect from January 3, 2024 to August 31, 2024. Cambridge Christian School reserves the right to extend or discontinue this program at any time.
8. Once all criteria have been met, both families will receive the 5% tuition discount after the new family has started school (50%) and remains in good standing to second semester (50%). Half of the discount amount will be credited to your tuition obligation during the second week of school. The second half will be credited at the beginning of second semester.
9. Referring families that pay in full and qualify under this program will receive a check in the mail, whereas referring families that utilize the monthly payment plan through FACTS will receive the discount on their monthly amount.
10. As with all CCS discounts, if a student who has received this discount withdraws or is dismissed before the end of the school year, the amount of this discount will be reversed in determining the tuition and fees due for the portion of the year the student attended CCS.
